Old Business:

- The P&R landscape contract bid winner II has been approved: Holly Days Peter Gray expects work to begin by end of April. The water feature in Lenape has been repaired & running; next will be the water access/hose bib installation. New lighting will be scheduled for installation as well. PROGRESS!
- Bench dedication // ribbon cutting @ Lenape & Visitor Center. Discussion/ideas. Tom Carroll is back in town now so I will reach out to him.
- NHArts will be donating a sculpture piece to be shown (temporarily) in one of our areas for the summer: Lenape, Visitor Center, Ferry Landing. Pam Kerr will find out if there are any other artists willing to do same & will be getting back to us.
- Watering – our unusual circumstance where we've needed to water ourselves should be over by May 1. We've finally had some rain so that has helped as well! NHDPW will have their equipment changed over & the watering apparatus ready to go for the baskets/hayracks/urns, etc. Sincere thanks for helping out with this!!!

New Business:

- Summer Baskets: NHDPW has dropped off the hanging baskets to Living Earth. I have contacted LE to be sure that they know our goal is to have them up in time for Pride Weekend, 5/13. Our town will really shine & we will be ready for the summer season!

Next Meeting: May 22, 2023
