AGENDA

ROLL CALL:

APPLICATIONS:

1. MIL REALTY, LLC/ 22 SOUTH MAIN STREET

The applicant has proposed to amend a previously approved Certificate of Appropriateness issued on April 18, 2023. The revisions include eliminating the previously proposed handicapped access ramp and railing from the West Elevation Site Plan and the elevations for the Main Street (West) frontage. The interior first floor elevation will be lowered to be flush with the existing sidewalk to allow for ADA access into the building without an access ramp. The building will be floodproofed using a stem wall and removable floodproofing gates that will be installed on the first floor doors during flood emergencies.
