

New Hope Police Department

Emergency Contact List (Business)

The New Hope Borough Police Department is updating its **Emergency Contact List** for businesses and addresses in our coverage area. This list is to be used by Emergency Services Personnel during after business hours, should an emergency arise. Please fill out this list as completely as possible and provide it to us via US Postal Service, Fax, or email. This list will assist us as much as it will assist you. You may want to post a copy of it in a prominent location so that it could be found by personnel, as well as, a reminder to keep it updated as changes occur.
