Press Release

New Hope Borough Leaf Pickup Schedule

October 11 through November 22

New Hope, PA, September 27, 2017: New Hope Borough Public Works crews will be picking up bagged leaves throughout the Borough every Wednesday, beginning October 11 and ending November 22. Residents should place bagged leaves at the edge of their properties for pickup each Wednesday. Place ***only leaves*** in bags with no other yard waste, debris or trash. Bags should not be placed in the street where they may impede traffic flow and block drainage ways. The Borough picks up leaves in plastic or paper bags, with a preference for paper bags being more environmentally friendly.
