

The New Hope & Ivyland Railroad is firming up the date to rehabilitate the crossing on Ferry Street. The forecast looks promising and we now have all the material that we require to perform the project. The road should be closed by Monday, April 17th at 5 a.m. and will remain closed until Saturday, April 22nd at 8 a.m.

Furthermore, traffic should remain unimpeded on Stockton Ave during the project.

We look forward to improving this crossing.

Sincerely,

Michael Donovan | General Manager
New Hope & Ivyland Railroad
